Design. Preview. Print. All from your phone.

M211 Label Printer

Design, preview and print – all from your phone. Simple and intuitive, the M211 Label Printer is built for the job site, running all day on a full charge while resisting drops, shocks and crushes.

- **Simple. Easy. Intuitive.**
  Seamlessly design, preview and print labels from the industry leading Express Labels App on your familiar smartphone and swiftly connect to your printer.

- **Label it once.**
  Now with both pre-sized and continuous labels in 90+ cartridges, filled to the brim with reliable, tested and dedicated label materials that stay attached and remain legible on every surface and in any environment.

- **Survives and thrives on any worksite.**
  Ready to label all day with a lightweight, 1.2 lb printer, a powerful battery, drop-lock-print label cartridges and a built-in auto-cutter. Survives falls from up to 6 ft, 250 lb crushes, and shocks.

▶ **Label creation, just a tap away.**
Go mobile and get more options with Express Labels.
